Friday at Noon two separate seeding meetings will be held, one for each division. For the most part brackets will be preset by criteria with the meetings held to correct major errors or oversights only.

## Tournament Format

**Friday: 2 Rounds, Round 1 will begin at 4pm with Round 2 following.**

**Saturday: Round 3 will begin at 9 am till complete.**

**Championship will begin at 6 pm.**

The tournament is of course double elimination. Rounds are 1 minute 30 seconds each. They will be wrestled on 12 mats. Six will be for the Jr. High division and six will be for the middle school division.

There will be two staging areas one for each division.

Wrestlers will be called to the staging area by weight beginning with the lowest weight in their division. Once a division has finished a round that division will begin the next round. If one division finishes early on Friday night, then all 12 mats will be used to complete the other division's matches. The same will be true on Saturday. If a division finishes up to the finals early, then the other division's matches will be moved to get done.

Wrestlers in smaller brackets will wrestle their first rounds along with the rest of the larger brackets. The only reason a wrestler should have his weight pass in the round without wrestling is if he/she has been beaten out of the tournament, he/she has a bye, or he/she is in the finals.

The finals will be held Saturday at 6:00 PM. There will be a short break at this time to for the Championship set up. The finals will begin with a parade of champions, followed by the first four matches. The matches will be wrestled on four full-sized mats, two matches from each division at a time. After each four matches the medals for those matches will be awarded. We will continue this cycle of four and four until the finals are finished.

After the finals there will be a short break while the final team scores and outstanding wrestler votes are tabulated and then those awards will be given out.

## Awards

### Individual Awards

The separate divisions are for individual placing only. Wrestlers will be placed 1<sup>st</sup> – 6<sup>th</sup> in each weight and awarded a custom medal. Champions will receive a T-Shirt and a Custom made bracket of their weight.

Outstanding Wrestler Awards will be given for 1a, 2a, and 3a in the upper and lower weights of the Middle School and Jr.

High Division. Upper weights are 100 and above in Middle School, and 120 and above in Jr. High. Winners will be decided by a coach's vote. Each team will be given one Outstanding Wrestler Ballot. On each ballot the team representatives must choose three wrestlers from their classification for the upper and lower outstanding wrestlers. Only one of the three chosen wrestlers can be a member of their team. The wrestler with the most votes wins. In case of a tie the wrestler with the fastest pin will be the winner.

## **Team Awards**

The Middle School and Jr. High divisions will be ignored for team awards. Team points will be calculated based on the highest placer in each of the 49 weights to give one overall state championship in each of the three classifications. Trophies will be given for 1<sup>st</sup> – 4<sup>th</sup> places and plaques for 5<sup>th</sup> and 6<sup>th</sup>. Points for the highest placer in each weight are as follows: 1<sup>st</sup> 16 2<sup>nd</sup> 12 3<sup>rd</sup> 9 4<sup>th</sup> 7 5<sup>th</sup> 5 6<sup>th</sup> 3
