## **Tournament Format**

**Friday: Round 1 will begin at 4 pm till complete.**

**Saturday: Round 2 will begin at 8 am.**

**Championship Round will begin at 3 pm.**

Friday night we will wrestle all pigtail matches into 8 and 16 man brackets, one round of championship matches for every weight and a second round of Championship for all 32 man brackets. A weight class with only two wrestlers will not wrestle until the finals. The tournament is of course, double elimination. ALL rounds are 1 minute 30 seconds each. They will be wrestled on 12 mats. Six for the Jr. High, and six for the Middle School division.

Matches will be scheduled by bout # through trackwrestling. All bout #'s will be posted on bracket sheets located on the upper deck. Each clock will show current bout # being wrestled.

Wrestlers in smaller brackets will wrestle their first rounds along with the rest of the larger brackets. The only reason a wrestler should have his weight pass in the round without wrestling is if he/she has been beaten out of the tournament, he/she has a bye, or he/she is in the finals.

The finals will be held Saturday at 3:00 pm. There will be a short break at this time to set up for the Championship round. Champion bios will be restricted to weight, Team/School, and participants Name.

The finals will begin with a parade of Champions, followed by the first four matches. The matches will be wrestled on four full-sized mats, two matches from each division at a time. After each four matches, the medals for those matches will be awarded. We will continue this cycle of four and four until the finals are finished.

After the finals, there will be a short break while the final team scores are tabulated, and then those awards will be given out.

## **Awards**

### **Individual Awards**

The separate divisions are for individual placing only. Wrestlers will be placed 1<sup>st</sup>- 6<sup>th</sup> in each weight and awarded a custom medal. Champions will receive a T-shirt and a custom made bracket of their weight class.

The Middle School and Jr. High divisions will be combined for team awards. Team points will be calculated based on the highest placer in each or the 49 weights to give one overall state championship in each of the three classifications (1A, 2A, 3A). Schools or teams will only receive team points from your highest placing wrestler per weight class.
