This tournament is also the official qualifying event for all Utah National Teams for 14U, 16U, and Juniors. Wrestlers must qualify at the weight at which they intend to compete at the National Duals and/or at the 16U & Junior National Championships in Fargo. The champions of the 14U & 16U win the right to be on the Utah national duals team at the National Duals in June. Junior division champions also win the right to represent Team Utah at the Turf War Duals in Pocatello. Only the top 3 placers in the 16U and Junior divisions gain automatic qualifying spots for Fargo (there are other ways to qualify for Fargo so even if you don't place in the top 3 you will most likely be able to attend Fargo if you want to). In the event that any of the top three placers for Fargo, do not have their National Teams deposits (explained below) paid online by the national teams deposit deadline, any open spots on the national team will be open to the next highest placer in the weight class. In the event the Freestyle & Greco State Champions do not have their deposit paid online for the National Duals Teams by the deposit deadline their spot will be open for the coach to fill.
