Tournament Information

The Utah High School Activities Association is proud to present the 2008 State Wrestling Championships at the McKay Event Center. Be sure to read all of the information so as not to be disappointed or surprised on the day of the tournament. **Please be sure to inform your wrestlers, parents and other fans of the following:**

Entries from the Region Tournament

State qualifiers from Region Tournaments are to be entered in the State Tournament by the directors of the various Region Tournaments. Entries **MUST** be submitted on-line through the UHSAA web-site by midnight the last day of your Region Tournament. First and last names must be included as well as year in school, last year's state place and this season's varsity record. This information should be provided by **coaches** when they enter wrestlers in the Region Tournament. Information regarding submission of results has been sent to the Region Tournament directors and coaches hosting Region Tournaments. Questions by Region Tournament directors regarding the entry of wrestlers on-line should be directed to Bart Thompson in the UHSAA office.

Region Responsibility to Check Weight Management

The NWCA Alpha-Master sheets and individual weight -loss plans must be checked carefully at the Region Tournaments to ensure that each wrestler is competing at a legal weight. ***The UHSAA will audit brackets to ensure that wrestlers are participating not lower than their legal minimum weight.*** Wrestlers who qualify from a region at a weight class for which they are not eligible to compete will be disqualified from the State Tournament and regions and schools will be subject to penalty. Schools/coaches attempting to enter a wrestler in a weight class for which they are not eligible will be subject to discipline as well. Please work to avoid problems with this that could occur after region by carefully checking each wrestler prior to the region tournament.

Region Responsibility for Checking Physician Clearance on Low Body Fat Wrestlers

Wrestlers who require physician's clearance for low body fat should have their clearance recorded on the Alpha-Master prior to competing. Clearance forms should have been submitted to the UHSAA at (801)566-0633. **Coaches, please check your Alpha-Master** to assure that those who need clearance have it and that it is recorded on your Alpha-Master prior to your region seeding meeting to avoid problems. Remember, wrestlers must have at least one legal weigh-in after a legal body fat test. That weigh-in must occur prior to the Region Tournament.
